- Subject changed from Projects news page to Link to global news on projects list

Edited the title to clarify the scope of the issue, I couldn't fathom what this is about by just looking at it.

- Target version set to 2.4.0

- Status changed from Open to Closed

I've added a link to the cross-project news list for now. I think after the redesign we can take a look at how these menus work (cross-project side menu perhaps?).
